

Dear Graduate Students,

As a member of the Piedmont Club's membership committee, we would like to offer you a free lunch to come up to the 19th floor of the BB & T building downtown, to look at our restaurant, meeting rooms and lounge. This club is a great place to study (free wireless), awesome food (\$2.95 breakfast buffet, \$7.95 lunch menu) and wonderful events you can attend. If you have an organization that does a annual event, up coming wedding planned, or just want a affordable club to go to on that special occasion, this is the place to be. Contact Judy at the number below, enjoy a free meal with no obligations. Tell Judy Nicole sent you and, I can waive the \$250 initiation fee it cost to join. There are no monthly food and beverage obligations. You can join, keep it for a few months, don't like it and quit with no penalty. **The first month you join you get lunch free everyday.** They have great golfing packages, travel discounts, use of other clubs in other cities all over the world just by joining this one. Go with classmates or a date for breakfast.

Call Judy Sutherine at 723-7818 for lunch reservations.
